**CLIENTS WITHOUT DOCUMENTARY PROOF OF ALL REQUIRED  
IMMUNIZATIONS SHALL NOT BE ADMITTED FOR TREATMENT**

Please complete attached application. It is very important that copies of your child's Speech and Language progress reports and/or evaluations and the latest IEP Goals be included. This summer program does not do evaluations. We will be working from the Speech and Language goals already developed by the referring public school speech therapist and IEP team. Our summer speech program is modeled on the non-intensive preschool program established in the public school. Groups consist of three children. Specific sounds and language structures are targeted. Children enrolled in SDC (Special Day Class) and children with Spectrum Disorders (Autism, Aspergers's, PPD-NOS) do not benefit from this structured, non-intensive program. These children are better served attending a summer school program offered through the school system. You will be contacted the week of June 2<sup>nd</sup> for a brief phone conference to confirm acceptance and determine a schedule.
